Your tour starts at 8:00 a.m. in the lobby of our pre-tour hotel, the Electra Palace Hotel, Athens, Greece. Your VBT representative will meet you there, holding a VBT sign.

VBT highly recommends arriving in Greece at least one day before the tour begins to allow time for rest and recovery from jet lag before sightseeing and cycling.

After brief introductions, your group boards a private motorcoach for an approximately 3.5-hour drive to the Peloponnesian Peninsula. Along the way, your representative shares insights into the fascinating cultural and historical significance of the region.

You'll meet your VBT trip leaders at a traditional Greek taverna outside the village of Mystras, nestled among the forested slopes of Mt. Taygetos. Take in breathtaking views of the valley of Sparta as you enjoy an included lunch. Afterward, travel to your nearby hotel, change into your biking clothes, and join your trip leaders for a safety and bike-fitting session. A short warm-up loop from your hotel leads you through shimmering olive groves.
